EXERCISES

1.1 Navigate to today's Daily Text and read the day's scripture and comments.
1.2 Open the Meetings tab and locate this week's Watchtower Study article.
1.3 Create a bookmark in a Bible chapter you frequently use.
1.4 Use the History feature to return to a scripture you previously read.
1.5 Search for a scripture containing the phrase *"draw close to God"* or choose your own expression.

2.1 Tap Bible > Languages and download an additional translation (e.g., King James Version).
2.2 Download an introductory video (such as *"Why Study the Bible?"*) in 720p or 480p resolution.
2.3 Download the same video in another language (e.g., Spanish).
2.4 In Publications > Downloaded, sort by **Largest Size** to check storage use and locate large files.

3.1 Open the next Watchtower study article and highlight the answer for paragraph 1 in yellow.
3.2 Change the color used to highlight your answer from the previous step, or delete it.
3.3 Add a personal study note to a highlighted answer and attach a tag.
3.4 Open the Personal Study tab to review your collected notes and highlights.
3.5 Open Settings > Backup and Restore and select **Create Backup** to protect your study notes.
